

# Hull Parent Teacher Organization

Dear Parents and Guardians,

We are now settled into our new school schedules and are currently preparing for a very successful 2007-2008 school year. The Hull PTO would like to re-introduce you to the organization and invite you to consider joining the group and/or contributing to the organization. **Hull Public School children need your support!**

As an organization that provides support to all three public schools, our charter is fairly broad. The activities that we run and the funding requests that we fulfill are rather diverse. We have provided volunteer support and funding for a wide variety of projects, initiatives and purchases over the years.

Once again, our greatest challenge is greater participation at the middle and high school levels. During the 2006-2007 school year, the PTO donated over \$16,000 to the Hull Public Schools, with over \$8,000 going to Hull High School and more than \$2,700 to the Memorial Middle School while the PTO raised very little funds at these two schools. As our 2007-2008 Operating Budget will be comprised **solely** of funds raised at all three schools, in order to continue to provide funding at the middle and high school level, it is critical that we raise money at these schools. We therefore ask you for your involvement to participate in this membership/donation drive.

The Hull Parent Teacher Organization is a 501c3 group formed to support the Hull Public Schools by sponsoring cultural and academic enrichment programs that enhance the quality of education offered to all Hull public school children. If you would like to join, help out at an event, or just get more information, please contact us. **The annual membership fee for the PTO is \$5.** For a complete list of meetings, minutes and contacts, please visit the PTO section of the town website: ([http://www.town.hull.ma.us/Public\\_Documents/HullMA\\_Schools/PTO](http://www.town.hull.ma.us/Public_Documents/HullMA_Schools/PTO))

PTO works very hard to provide support to the three schools each year and hope we can count on you for a donation. Thank you for your continued support and commitment, and hope we can continue to count on you in the future. Hull PTO couldn't do it without the generosity of donors and members like you!
