

## **PROJECT START NOTIFICATION**

### **A-STREET BEACH HANDICAP ACCESSIBILITY IMPROVEMENT PROJECT CDBG #536-07-6I, CONTRACT # PI-012009**

**Project Location: Corner of A St. and Beach Ave.**

**Start Date: October 29, 2009**

**Contractor: Cali Corporation**

**Project Management:**

**John D. Reilly III, Chairman, Board of Selectmen**

**Philip E. Lemnios, Town Manager**

**Robert L. Fultz, Director, Community Development & Planning**

**This project will commence on October 29, 2009 and will be complete on or before December 12, 2009. The Contractor will keep passable travel lanes on A St. and Beach Ave. Construction hours are 7:00 AM to 5:00 PM. If you have any questions or comments regarding this project contact Robert L. Fultz, Director, Community Development & Planning at 781-925-3595.**

**This project will provide the first handicapped access to the Town's Nantasket Beach. The project helps to bring the Town into compliance with the Americans with Disabilities Act, a civil rights act. The ramp will provide access for those with handicaps, an estimated 15% of the population. But it is estimated that with an increasing life span nearly all citizens will need this type of access at some point in their life. This project was identified as a priority for beach access in the Town's "*Americans with Disabilities Act, Title II, Self Evaluation and Transition Plan*", approved by the Board of Selectmen last February.**

**Funding for this Project and for the ADA Plan is provided through the U.S. Department of Housing and Urban Development and the Department of Housing and Community Development, Massachusetts CDBG Program.**
